**Re: Fariasantos v. Rosenberg & Associates, LLC
Civil Action No. 3:13cv543**

Dear Counsel:

Defendant Rosenberg & Associates, LLC ("Rosenberg & Associates"), after reasonable review and inquiry, submits the following information regarding consumers who received letters in the form of Exhibit A to Plaintiff's Complaint (the "FDCPA Letters"):

- The EDVA Richmond Division subclass consists of 738 consumers to whom FDCPA Letters were sent in the territory covering the Richmond Division of the United States District Court for the Eastern District of Virginia; and
- The Henrico County subclass consists of 83 consumers to whom FDCPA Letters were sent within Henrico County.

Rosenberg & Associates does not concede that Plaintiff is entitled to this information and is providing it to Plaintiff solely in order to avoid burdening the Court with discovery motions. This information is not relevant to determining whether Rule 23 requirements are met with respect to the class defined in Plaintiff's Complaint. To the extent Plaintiff is seeking this information in furtherance of an attempt to engage in piecemeal certification of artificially limited classes, Rosenberg & Associates will oppose any such motion for class certification.

Sincerely,

A handwritten signature in black ink, appearing to read 'JCL', with a stylized flourish extending from the end.
